**Bye-law change (1/7/18):** "In extreme circumstances only and with permission from Committee and player's team captain, a player may play against his/her own team"

**Court Etiquette**

Do not hit back obvious faults, let them go to ground.

Make prompt line calls on your side of the court.

Strictly no swearing, racquet throwing (serious safety issue), sledging, intimidation or discarding of a ball to court surface during play.

**It is strictly against the rules to infer or call your opponent a "cheat".**

**Foot Faults**

Please be mindful of foot faults when serving. It is your responsibility to make sure that your foot does not touch or go over the line before the ball is struck.

**Results**

Please fill in score cards correctly and legibly. Full names of all players (at least once then first names are ok thereafter). Also details of new players and pool players must be provided on back of result card.

Additional players registered in your team need to be accepted in your grade by the committee, so past performance information is essential.

**Start and Finish**

Teams are required to enter the court at 1pm, have a 5 min hit-up and then commence the match. If a lady and gent are present from a team, they must commence the first set even if they are not the intended pairing. **If a team does not have a pair on the court by 1.05pm then the late team / player shall forfeit the hit-up time in the first set.** If a team does not have a pair on the court by 1.15pm then the late team shall forfeit the first set. Unless both captains agree to cease play due to failing light, then play must continue for 10 minutes after sunset time (or 6pm as appropriate). Any game in progress at that time is to be completed.
